Ref:- Government Memorandum No. 50[illegible] dated the 21st November 1935.

The Mahila Sabha no doubt was started with a number of aims and objects which would make it appear that it was to be a charitable institution. I enclose a copy of their report for the year 1933-34. The statement or expenditure at page 11 will show that the Club is in a flourishing condition and saved no less than half its real income for the year. The Earthquake Relief Fund item should have been excluded. The ladies did not collect the money on behalf of the Mahila Sabha and when they came to me I told them that I had already subscribed but they pressed me and said that they were making a town subscription.

annas and four annas. There is a separate subscription for games. The subscription at the Ladies' Club is Re.1/- a month and the Secretary of the Ladies' Club explains that this is due to the fact that the Ladies' Club has to pay Rs.108/- a year to Government for rent.

2. As it exists now however there can be no doubt that the Mahila Sabha is a club for ladies in Mangalore and is on the same status as the Ladies' Club. It has always been a point of great bitterness that the Ladies' Club pays rent for its premises at Rs.100 an acre while the Mahila Sabha gets a free grant. The Ladies' Club is run by Mrs. Sreshta wife of Mr. Sreshta, M.L.C. and the records in the Secretariat will show that Mr. and Mrs. Sreshta have been indefatigable in attempting to obtain a reduction of this rent from the Government, but so far unsuccessfully. I do not doubt that it is on account of this that it has now been represented to the Government that the Mahila Sabha is enjoying an unfair advantage.
